25th Annual North Carolina Workers' Compensation Educational Conference

Thank you for registering for the 25th Annual North Carolina Workers' Compensation Educational Conference, a virtual conference experience. The Conference is hosted on a platform called Whova. Using this platform, you can attend sessions, download materials, connect with fellow attendees, visit the Exhibit Hall, enter a Conference drawing to win a prize, and more!

We strongly encourage you to **activate your log in in advance** to assure that your participation goes smoothly when sessions begin.

To get started:

STEP 1 –

From a *computer* – go to https://whova.com/portal/webapp/nothi_202008/

OR

From a *mobile device* - [Download the Whova App](#)

Search "Whova" in the App Store on your iPhone or in Google Play on your Android phone.

TROUBLESHOOTING YOUR CONNECTION: *If you encounter a blank screen when you access the Conference Platform on Whova, try using a different browser. Whova recommends Chrome or Firefox.*

STEP 2 – *If you already have a Whova account, enter the email address you provided for Conference registration, which has already been uploaded into the platform. You must use this same email to log in for the sessions and receive continuing education credits and subsequent conference announcements, etc. if you do not have a Whova account yet, then first create an account using your conference email address.*

STEP 3 - Create a password and type in your name. Be sure to keep a record of your password, which the event organizers will not have.

STEP 4 - Edit your profile. Please use your full name. Other attendees will use it to network with you.

STEP 5 – Sign in to the North Carolina Conference website. (If you have used Whova for other events, you may also see them listed.)

Sessions with live Q&A will be streamed over 4 days, via Zoom links posted on the Conference Platform. These sessions begin on October 13; the complete Agenda is available on the Platform, or [click here to download a copy](#). Through the Conference Platform, you will also have access to view recordings of the sessions on demand (including the live Q&A), which will be available through October 30 (but please note that **adjusters may receive continuing education (CE) credit only for sessions with live Q&A**). You may also download conference materials. You will be receiving additional information, including detailed procedures for CE credits, in a subsequent email message from IWCF@bellsouth.net.

We look forward to connecting with you during the 25th Annual North Carolina Conference.
